- Directly in the City Centre

Would you like living directly in the city centre, namely in the very centre of the historical quarter, just a few steps from the Big and the Small Squares? For businessmen, it's only 5 minutes away from the Town Council as well as the headquarters of the Regional Authority, for students only 10 minutes away from all the three universities... For fans of entertainment and culture, there are forty restaurants of various types in the close vicinity, a theatre with 3 scenes, a music hall... And what might be interesting for you as concerns our offer of housing? More than twenty apartments in a protected historic building with a 150-year history that was used as an ecclesiastical student college Boromeum in the past, reconstructed in 2006. The historical disposition combines with absolutely modern equipment of all flats there providing comfortable and cosy housing both for a few days and for years. See to it yourselves on our website or in person, you will be surprised and if you make use of our services, you'll be also satisfied.
